Mayor's Message
October 11, 2010

Our caution lights at Hwy 35 and FM 192 are now working thanks to Buddy Moore, our Public Works Director. He is continuing to monitor our street lights to ensure they are working properly.

The city has donated the old City Hall to the Fire Department to be used as a search and rescue training building, allowing them to train to search in darkness and smoke filled rooms for survivors. The Danbury Fire Department is also going to use the building for training.

NOTICE! City water will be off on Thursday October 28th from approximately 9:00 a.m. to 12:00 p.m., in order to clean the Pressure Tank. This is the last tank to be cleaned. If you need bottled water, please contact City Hall and make arrangements to pick up a carton.

We have formed a Citizen's Committee. Shawn Doherty, Zeke Brumfield, and Ric Bogue, have volunteered. We want your help to identify any older citizens who may need help with mowing their lawns, minor repairs, such as broken steps, ect. We have several who have offered to be on the work team, Johnny Wolfe, Charlie Rio, Greg Norman, and Bill Strickland. If you or your children would like to help, please call City Hall and leave your name and phone number. This committee will be taking suggestions from you for other ways that we can be of help to our citizens.

Shannon White is our new Court Clerk. (No relation to Terri White.) Her hours are Monday, Tuesday, and Wednesday from 8:30 to 2:30. She and Terri White, City Sec./Treas., have completed a 24 hour training with MCRS software. Shannon and Terri also completed their 32 hour training at the Texas Municipal Court Education Center in Austin. Judge Bobby Smith holds court the 2nd Wednesday of the month at 6:00 p.m.

A big THANK YOU to Barbie Hicks for her service to the City. We wish her well as she pursues her Bachelor's degree.

Our Police Department consists of Chief Randy Langston, Patrolman Heath Smith, and Reserve Patrolman and Bailiff, James Beasley. The Police Department is currently providing coverage for the city from 6:00 a.m. through midnight. The Sheriff's Department is providing coverage for times when the Police Department is not available. Both Chief Langston and Patrolman Smith have assisted citizens who fell in their home. Our Police Department is here to Serve and to Protect, so please let them know if you need assistance.
