Mayor's Message, December 17, 2010  
By Bill Strickland, Mayor

“IT’S BEGINNING TO LOOK A LOT LIKE CHRISTMAS.” Be sure to drive around the community after dark to see all the beautiful Christmas light displays that your neighbors have put up for all to enjoy; don’t forget the Amsterdam and Snug Harbor communities. We really thank all for your Christmas gift to the community.

Brazoria County presented us with an early Christmas surprise by repairing our pot holes and restriping CR 192 and CR 171. It really makes it easier to see after dark. Thank you Buddy Moore, Public Works Director, for working with the County to see these projects completed.

I would like to commend our new Court Clerk, Shannon White, for the excellent job she is doing for the City. She is working 9 more hours per week for just \$7.00 more compared to our previous court clerk. Shannon and our City Secretary/Treasurer, Terri White, are cross trained in their duties to be of maximum benefit to the City. Thank you Shannon and Terri for the great jobs you both are doing.

The old City Hall trailer was moved behind the Fire Department building to be used as a Fire Fighter Live Fire Training site. We thank Mark Roller and Sonny Pieper for providing their time and tractors to move the building, and for the additional help from Rocky Hicks, Dakota Rivas, Kelly Balhorn, Dennis Gable, and Michelle Galvan. Thank you all for your dedication to our community.

The Citizen’s Committee has been busy helping citizens by mowing yards and installing an outdoor light in a yard. If you know of anyone who might require help, please call City Hall or contact one of your council members.

The City Council voted this month to offer a Retirement Plan thru the Texas Municipal League to our permanent employees. The cost to the City is less than \$200.00 per month total. The employee will donate to the Plan as well as the City. The employee must work and donate for five years to be vested. We are proud to offer a health plan and a retirement plan to our fulltime employees. We value their service to the City.

The Liverpool Town Hall Com. hosted a Children’s Christmas Party on December 14<sup>th</sup>. The Liverpool Volunteer Fire Dept. escorted Santa Claus into town with a parade of two fire trucks, a fire department vehicle and Patrolman Heath Smith, with lights flashing and sirens blaring, and Santa Claus standing on the back of the last fire engine, to the delight of the children and adults alike. Santa Claus and Mrs. Clause talked to 65 children and gave out gift bags. Aimee Doherty led the singing of Christmas Carols, along with Carol Holst on the keyboard. Many in the community donated cookies, hot chocolate, and treats for the gift bags. Shannon White donated beanie babies and Linda Erdman donated a toy for each bag. A special thank you to Fire Chief Rocky Hicks, Capt. Michael Hankamer, Tom Prevost, and Patrolman Heath Smith, for the exciting parade to the City Hall. Thank you to Nancy Pieper, chairman of the event, and to all the Elves who worked to make this a wonderful and special time for the children and adults to enjoy. Rusty Schuemann, Lupe Hadlett, Mariann Stavinoha, Dana Stavinoha, Billie Johnson, Judy Champagne, Delana Nolen, Lana Powell, Britney Beasley, and Randy Langston. Thank you Reserve Officer James Beasley, for bringing your motorcycle and letting the children have their pictures taken on it. We are truly blessed to have so many that are willing to give to the community.

**The Brazoria County Emergency Management Office has issued a BURN BAN for all of Brazoria County including Liverpool effective December 18, 2010.**

MERRY CHRISTMAS TO ALL AND A HAPPY NEW YEAR
