Mayor's Message  
September 27, 2010

WELCOME TO LIVERPOOL! Have you noticed our two new signs in town? Our thanks to the Liverpool Town Hall Committee for purchasing the four signs and installing them. The last two were just installed this month. We also want to thank Bob Smith Nursery for donating plants and Mark and Ann Roller for the work they did on the sign for CR 192 and Hwy 35. The town Hall Committee generously donates their time and money to benefit our community.

We have successfully completed the cleaning and inspection of our water storage tank by a company out of Tyler, Texas for a cost of \$850.00. They cleaned the tank and reported it to be in excellent condition. We will receive a narrated video on DVD of the entire inspection within the next two weeks.

We installed a community bulletin board beside the front doors at the City Hall. We will post future City Council Meetings and other community events. Please contact City Secretary/Treasurer, Terri White with any flyers you would like for us to post.

Thank you Town Hall Comm. for a really great Fall Festival that was really enjoyed by all that attended. The car and tractor show was really fun. Jeanie Bergeron did a great job of registering the entries and getting people to vote for their favorites. We had eleven pies entered in the pie contest. Our judges, Chief Randy Langston, Rocky Hicks, Johnny Wolfe, Ron Lynn, and Bubba Rouse selected these winners. 1<sup>st</sup> place- Sandy Loper, 2<sup>nd</sup> place- Linda Agrella, 3<sup>rd</sup> place- Kelly Balhorn.

A huge thank you and well done goes to the BBQ cookers, G.W. Roulston, James and Rayleene Ketchum, and Eunice Jorgensen. Thank you also to Kenneth Mims for donating wood and use of a smoker, and Mark Roller for a smoker. Marianne Stavinoha and her family served the BBQ plates and sandwiches and handled the kitchen duties to perfection. Thanks too, to Kent and Marie Middleton for cooking the delicious beans. Linda Agrella did a great job handling all advertising and registering the vendors. The auction was a great success. We thank Monte Baldwin for donating his time as auctioneer and to workers Barbie and Rocky Hicks, Judy Champagne, and John and Jeanne King and their daughters Kaylyn and Brianna. There were so many that just pitched in and helped that we cannot name them all, but this is just a few: Dustin Weaver, Cody Cherry, Johnny Wolfe, Brenda Noel, Joy Langston, Brett Rowley and many great young people who helped with the games, hauling trash, or any other errands. We appreciate parents teaching their children about helping their community. We also thank the community for the wonderful auction items, cakes, pies, and other deserts that were donated and for everyone who purchased BBQ, game tickets, auction items, or items from the vendors. The biggest THANK YOU of all goes out to the Co-Chairman of the festival, Donna and Jessica Henson, and Billie Johnson. They spent many hours getting sponsors and items donated for the auctions and seeing that everything ran smoothly. Thank you again for a really enjoyable and great Fall Festival that was enjoyed by the entire community.
