Mayor's Message, January 2011
By Bill Strickland, Mayor

The Texas economy is improving. Our local Plants are doing well in the marketplace, and we are all looking forward to an exciting and prosperous 2011.

We all need to do our part to support our local businesses. We are fortunate to have a local Post Office when many in small towns are facing closure due to cost cutting. We appreciate and thank Postmaster Rene Watson and the other Postal employees for handling our mail in a timely and efficient manner, doing their best to serve the community.

During December, we had a nonperishable food drive. Items were collected at the Post Office and City Hall. With your generous support, we were able to provide food for 15 children and 6 adults. Christmas presents were also given to 15 children ranging in age from 1 month to 16 years old. The Town Hall Committee has purchased shelving for the remaining food, and set up a food pantry at the City Hall. If you or anyone you know might need help, please contact City Hall and we will pass the information along to the Town Hall Committee. We all need a helping hand during some time in our lives, and it is wonderful to live in a community that does not hesitate to help their neighbors. Thank you again for your generosity to our community.

A big thank you to our Police Department who do a great job protecting our community. On the night of December 17th, they worked with the Brazoria County Sheriff's Department and the Alvin Police Department to avert an attempted robbery at Y & T, Inc. on Hwy 35, where two suspects were arrested. Alvin Police Officer Scott Green and his canine partner as well as Deputy Chase Grupe, Deputy John Jones, Sgt. Darrin Wallace, Deputy Sean Hodder, Deputy Leonard Bustos, and Police Officer Heath Smith responded to the call. The owner, Hardy Liang, was very grateful to all entities for their hard work. We really appreciate the hard work that Police Chief Randy Langston, Police Officer Heath Smith, and Reserve Officer James Beasley do on behalf of our community to insure our safety and well being.

Council Member, John King reported on the Fire Department at the last council meeting. They have received a grant for 4 sets of bunker gear, gear worn during fires, and a grant for a skid unit, (Grass Fire Unit). They are looking for some metal to take the place of windows for the smoke house. We really appreciate the personal time for training that these men and women donate to our community. If you should meet one of them, please give them your thanks. Rocky Hicks, Chief, John King, Assistant Chief, Michael Hankamer, 1st Captain, Tom Prevost, Matt Bowman, Barbie Hicks, David Galvan, Michelle Galvan, Kelly Balhorn, Elizabeth Ruiz, Joe Tyler, Christina Tyler, Brenda Noel, Honorary Member, and Judy Champagne, Treasurer.

Doris Saucier who was employed by the City of Liverpool for over 20 years as City Secretary and Municipal Court Clerk passed away January 9, 2011. She was 96 years old. The funeral was held at Oak Park Funeral home on January 12, 2011. Our condolences to her family.

There is no longer a burn ban in effect for Brazoria County.

The next City Council meeting will be February 1st at 6:30 p.m. Everyone is invited. Come and learn about your City.
