Mayor's Message, June 2011
By Bill Strickland, Mayor

GREAT AMERICAN CLEAN UP on May 21st was a great success. Our thanks to Mary Lunday for suggesting a way to help our community and by giving us a contact name in Alvin. Also, thanks to Mark Roller for providing an 18 ft. trailer to load up the TV's, computers, and other electrical items for disposal. Thanks to Council Member Johnny Wolfe who helped me pick up items from residents unable to bring the items themselves. Electronic items cannot be disposed of in regular trash. The trailer was parked in front of City Hall and was over-flowing. Alvin collected 15,458 lbs. of unwanted items. We were glad to help the community. If you have other suggestions where we can be of service, please contact your City Council Members or myself.

GENERATOR DELIVERED. Our generator that operates the water plant has arrived and is in the process of being installed. We will also be able to run the City Hall in case of an electrical outage. Thank you to all past and present City Council Members and City Employees for making this possible for our community.

JULY 4th PARADE AND PICNIC. Parade will line up on St. Anne Street beginning at 9:00 a.m. The Parade will start at 10:00 a.m. ending at the City Hall. The picnic starts at 11:30 a.m. and is sponsored by Town Hall Com. Bring your favorite side dish or dessert, and join the fun with family and friends. Decorate your bikes, golf carts, tractors, cars, etc. and take part in the parade to celebrate our nation's independence. This is a great way to honor our veterans, past and present.

The City will soon be able to accept your credit card for payment of water bills or court fees. Please check our website frequently for updates on this project. Thank you Terri White, City Sec/Treas., for researching and finding a company that is free of charge to the city. Also, thanks to our City Council for their approval at our last council meeting. We are constantly striving to improve services to the community.

At our last council meeting Mayor Bill Strickland, and Council Members Craig Kartye and Shawn Doherty were installed. Appreciation Certificates were presented to retiring Council Members Brenda Noel and Marie Middleton for their support and dedication to the community. Council Member Johnny Wolfe was elected Mayor Pro Tem.

Improving our roads is an ongoing project. Thank you to Buddy Moore, Public Works Director, for working with Brazoria County to oversee these projects. The City does not pay labor costs, but we are required to pay for the materials used; therefore, we are stretching every dollar we can. Avenue G and Avenue F, behind the City Hall are completed. The bad place on Avenue C has been repaired. CR 192 has been greatly improved, making it safer to drive on. The improvements will continue as the City Council approves spending more funds for the roads, we will continue to work on improving our streets.

FOOD PANTRY. The Town Hall Com. is now opening the Food Pantry each Friday from 10:00 a.m. – 12:00 p.m. at the City Hall. We have been able to assist 12 families this month. More food donations are needed. If you can help to assist families having a difficult time, please drop off items at City Hall. There is no shame in needing a little help. We have all at one time or another been in need of a little assistance. Now is the time to return the favor that was shown to us. Any donations will be appreciated. On June 3rd we received produce from a person's garden. If we each give a little, we can make a great difference in someone's life.

Tour de Braz Bike Ride on June 12th was a great success. The Liverpool Volunteer Fire Dept. and the Town Hall Com. volunteered at the rest stop here at City Hall. Members who helped were Rocky Hicks, Brandon Hicks, Dakota Rivas, Kelly Balhorn, Dennis Gabel, Delores Nolen, Delana Nolen, Judy Champagne, Gail Strickland, Bill Strickland, Chief Randy Langston, Patrolman Health Smith, Reserve Officer James Beasley, and Nurse Phyllis Wallace. We really appreciate all those who dedicated their time. This shows what a great and caring community we live in.

The beautiful cedar benches in front of City Hall were made by Mark Roller and donated to the City by the Tour de Braz Bike Club. They are a beautiful addition to our building.

Our next Council Meeting is July 5th at 6:30 p.m. See you there.
