

DRIVING SAFETY REQUEST FORM

TO REQUEST DRIVING SAFETY

You must receive permission from the Court before taking the course. Under the laws of the State of Texas, you may be able to have this charge dismissed by taking a driving safety course. However, you cannot have the charge dismissed by taking a driving safety course if you are charged with a speeding violation of 25 Mph or more above the posted speed limit, for an offense that occurred in a construction zone while workers are present, or if you have a commercial driver's license.

I hereby plead No contest to the attached moving traffic violation and request that the court defer proceedings in my case for 90 days so that I may complete an approved driving safety course, present a certificate of completion, and have the court dismiss my case. I understand that failure to complete the class within the 90 day period will result in a Show of Cause hearing.

- 1) I have a valid Texas driver's license that is not a commercial license.
- 2) I have not completed a driving safety course or motorcycle operator training course within 12 months from the date I received this citation.
- 3) I am not currently taking a driving safety course or motorcycle operator training course; nor, have I completed one that is not yet reflected on my driving record.
- 4) I enclosed proof of financial responsibility for the date on which I received my citation.
- 5) **I further understand that this form must be signed, notarized, and submitted with the administrative fee of \$107.10 by the appearance date on my citation.**
