OLD BUSINESS – Discussion and Possible Action may be taken on the following:

- a. All Ordinances pertaining to building of a dwelling (Ordinance 2013-C, 2015-B, 2018-D, and 2021-A_ - possible action on requiring Brazoria County permits.

Council and Mayor Bogue discussed that the city needs someone to do inspections on everything, and that the City needs to look into hiring a company that could take care of all building inspections. Council discussed if this should include Manufactured Homes as well. Mayor Bogue feels that the City needs to know what people are building in the City, and that the builder/home owner should at least tell the City what they intend to build before building it. Mayor Bogue stated that growth is coming and that the City needs to be in front of growth and have new guidelines in place. Mayor Bogue will reach out and get information on an inspection company and will hopefully have more information at the next workshop.
