**Mayor's Message September 2023**  
**By Ric Bogue**

**FALL FESTIVAL:** The Liverpool Town Hall Committee will be hosting a Fall Festival on September 23, 2023. There will be vendors, games, bounce house, a silent auction, and food along with Alvin Animal Control will be out micro chipping the 1<sup>st</sup> 100 dogs, and Crocodile Encounter will be putting on a demonstration. They are currently looking for vendors (No food vendors please), so if you want a spot, please contact Catherine or Kim at City Hall at 281-581-2342. They are also looking for local businesses that would like to donate items for the silent auction, again for more information call City Hall. This is the only fundraiser that the Liverpool Town Hall Committee has and all the proceeds from this event go towards all the free events that they host throughout the year, so please bring the family out and help this amazing organization raise money to continue to give back to the community. They bring so much happiness to the community with the events, such as Easter Egg Hunt, 4<sup>th</sup> of July Parade and Picnic, Halloween Party, The Summer Series, and Christmas Event, as well as sponsoring the Food Pantry. Without the Town Hall Committee, we would not have the wonderful events throughout the year that are put on Free to everyone.

**FOOD PANTRY:** The Liverpool Food Pantry is doing well and continues to provide food for people in the community that are having a tough time. We are very thankful to everyone that continues to donate. Ascend Materials Plant hosted a food drive for the pantry and delivered the food on August 3, 2023. We are very thankful to all the employees of Ascend for the outstanding community service they provide. The Food Pantry is open on Fridays from 10:00 AM to 12:00 PM. *“No act of kindness, no matter how small, is ever wasted” – Aesop*

**GRANT FROM ASEND MATERIALS PLANT:** One of the Employees from Ascend and a Resident of Liverpool applied for a grant from Ascend Materials, to go to the City of Liverpool to make improvements to the community. The grant will be used to put a soccer field across from City Hall by the water tower. We are now working to get the area leveled and getting the goals ordered. We are very thankful to Brian Daily and Ascend for making a soccer field possible. We are excited to get it finished for the Community to use.
