Mayor's Message July 2024
By Ric Bogue

4TH OF JULY: The Liverpool Town Hall Committee will be hosting the annual 4th of July parade and picnic again this year. It will be on Thursday, July 4, 2024. So, get your floats, cars, side by side, bikes, tractors, horses, lawnmowers, or whatever you want to put in the parade ready. Line up for the parade starts at 9:00 AM on St. Anne Street, you just need to show up and someone will get you in line. The parade starts at 10:00 AM. The Parade will end at City Hall. The Car show will be set up in the front parking lot of City Hall after the parade ends. If you want to participate in the car show, after the parade, someone will get you parked for the show. Numbers will be given out before the parade starts at the parade line up. The Liverpool Town Hall Committee will be serving hot dogs and hamburgers and will start serving at about 11:00 PM. For more information, please call Catherine at 281-581-2342.

FOOD PANTRY: The Liverpool Town Hall Committee would like to say thank you to Turner Industries at ENIOS plant for the food drive they had. We would like to Thank Rosendin, the solar farm company on CR 203, for the food drive and donations. And, to the Liverpool Post Office for the food drive they had as well. They would also like to thank everyone in the community that has donated to the food pantry. The food pantry would not be able to help so many people if it wasn't for the giving community that we live in. *"By watering the roots of charity, we nourish the tree of humanity" – Wyatt James*

ASCEND MATERIAL PLANT: We would like to thank Ascend for the donation of 2 picnic tables, and the soccer goals. The soccer goals are located next to the water tower on Calhoun Street, and it is available for anyone to use. Anyone in the community can play a friendly game of soccer, just kick the ball around, or if you have a soccer team looking for a place to practice. We hope that the community will make good use of the tables and the field.

DITCH DRAINAGE: We have been looking at and working on drainage issues around the City. It would help with drainage if everyone tried to keep their ditch grass cut down so that the water would flow better. We do understand that some ditches are hard to get down in. We are also having the mowers come out and mow more often to try and keep the grass down.

HURRICANE TIPS – PREPARING YOUR HOME: Install commercial shutters or prepared 5/8 in plywood panels on the windows. Reinforce garage doors so that they are able to withstand high winds (Garage doors are frequently the first feature in a home to fail.). Trim all dead wood, weak, and overhanging branches from trees.

JUST A REMINDER THAT FIREWORKS ARE NOT ALLOWED INSIDE CITY LIMITS.

"In the truest sense, freedom cannot be bestowed; it must be achieved." – Franklin D. Roosevelt

"The history of free men is never really written by chance but by choice; their choice!" – Dwight D. Eisenhower

Our next Council Meeting is August 6, 2024, at 6:30 PM. Come see us.
