Mayor's Message August 2024

By Ric Bogue

4TH OF JULY: The Liverpool Town Hall Committee hosted the 4th of July parade and picnic on July 4, 2024. There was a huge turnout for the event. There were lots of participants in the parade, from Model A's, to motorcycles, to trailer floats to horses. It was a great way to celebrate our Country's Birthday. Thank you to Kelli Bogue, Jennifer Melchor, Marianne Stavinoha, Virginia Stavinoha, Gary and Sue Morris, Tabith and Grace Harper, Margaret Ferguson, Jeannine Bergeron, and Brandon and Julie Middleton for all the hard work they put in volunteering to help make the event a success. And we would like to also give thanks to the Liverpool Volunteer Fire Department and ESD#3 for being a part of the parade and helping as well. And a special thank you to City Attorney Chris Duncan for the cakes that he made and served, and to Joel Castro, Alvin Council Member, and Jay Burrige, Brazoria County Commissioner for coming and help serve food. And thank you to State Representative Jeffy Barry and Judge Randy Langston for helping with the blessing of the food and for making announcements. We look forward to the event next year.

FOOD PANTRY: The Liverpool food pantry is open every Friday from 10:00 am – 12:00 pm. Thank you to everyone that continues to donate to the food pantry, a little goes a long way, and it is a great way to give back to our community. If you would like to donate, you may either drop off the donations at City Hall during regular business hours, or in the box located at the Post Office. *"We make a living by what we get, but we make a life by what we give."* – Winston Churchill

SOCCER FIELD: The soccer goals for the soccer field have been put out. Anyone in the community may use the field for practice, or to just kick the ball around. We plan on adding benches and a couple of trees in the near future. We hope that the field gets used often. And we would like to thank Ascend for the donation to the city for the purchase of the soccer goals. The soccer field is located across the street (Calhoun Street) from City Hall beside the water tower.

HURRICANE BERYL: We are working on getting a debris removal company to come and remove all the debris left behind from Hurricane Beryl. Brazoria County is no longer doing debris removal inside the City Limits; therefore, the city is working on getting a company to remove the debris. Please continue to separate and pile the debris up beside the roadway so that once we have a company the piles are easy for them to get to. We are very thankful that there were no reports of major damage in the area. If you live outside the City Limits, please contact Brazoria County with any questions regarding debris pick up. Hurricane tip: Please make sure that you are stocked up on gas, water, and food, even if you evacuate. You may not be able to get these items for a while after the hurricane.

BACK TO SCHOOL: It's almost time for the kids to go back to school. August 12, 2024, is transition day for Pre-K, Kindergarten, 3rd Grade (Walt Disney Only), 6th Grade, and 9th Grade. August 13, 2024, is the official first day of school. Please start watching for the kids waiting for the bus, and the buses that are picking them up. We hope that all the students have a great school year.

CANNONBALL TRUCKING COMPANY: We would like to say thank you to Kelli Bogue and Cannonball Trucking Company for the donation that allowed the city to buy much needed Emergency Management equipment. It is greatly appreciated.

"Education is the most powerful weapon which you can use to change the world." – Nelson Mandela

Our next Council Meeting is September 3, 2024, at 6:30 PM. Come see us.
